To Whom It May Concern:

Please accept this very strong letter of recommendation for Mr. Gary Ermoian. I have known and worked with him for the past 20 years. His knowledge and expertise have been invaluable to Modesto City Schools and our employees.

Gary was instrumental in assisting us in the development of our School Security Officers Team, which is in its second year of operation and is highly successful. He provided the necessary training for these employees, and continues to advise the District on safety issues and concerns. Gary has provided Campus Security and Safety employees trainings for several years. Evaluations of those trainings by employees are overwhelmingly positive.

We will continue to use Mr. Ermoian's services, as they are top of the line. I recommend him without reservation.

If I can provide further information, don't hesitate to contact me at 209-574-1616.

Sincerely,

Pamela Able
